Dear Sgt. Steven DeLuzio Memorial Fund,

Thank you for your generous gift to the Heroes Project where your commitment to helping disabled veterans is very much appreciated. Your donation will help provide free in-home fitness equipment, health club memberships, individualized programs, personal training and life-coaching to in-need veterans with disabilities; Gold Star families or those suffering from post-traumatic stress disorder. We are very excited about the possibilities that this will create for those that served us so well.

Again, thank you for generosity and support!

Sincerely,

Cheramie Law
